

What Would You Say

Up and down the puppies' hair, fleas and ticks jump everywhere

'Cause of original sin

Down the hill fell Jack and Jill and you came tumbling after

'Cause of original sin

Rip away the tears. Drink a hope to happy years

And you may find a lifetime's passed you by.

What would you say? Don't drop the big one

If you a monkey on a string. Don't cut my lifeline

If you a doggie on a chain. Don't bite the mailman

What would you say?

I was there when the bear ate his head, thought it was candy

Everyone goes in the end

Knock knock on the door. Who's it for? There's nobody in here

Look in the mirror, my friend

I don't understand at best, and cannot speak for all the rest

The morning rise, a lifetime's passed me by

Chorus

Every dog has its day. Every day has its way of being forgotten

Mom it's my birthday, would you say?

What could you say?

What would you say?

Solos

I was there when the bear ate his head, thought it was candy

Everyone goes in the end

Knock knock on the door. Who's it for? There's nobody in here

Look in the mirror, my friend

I don't understand at best, and cannot speak for all the rest

The morning rise, a lifetime's passed me by

What would you say?
