B B

And I asked him "Where are you going"

F#m

"I'm going on down to Yagurs farm

Gonna join in a Rock 'n' Roll band

Gonna camp out on the land

And set my soul free"

Chorus:

We are stardust

F#m

We are golden

B

And we are billion year old Carbon

I have come to lose the smog

And I feel to be caught in something turning

Maybe it's the time of year or maybe it's the time of man

I don't know who I am but life is for learning

Chorus:

By the time we got to Woodstock

We were half a million strong

And everywhere was a song and celebration

And I dreamed I saw the bombers riding shotgun in the sky

Turning into butterflies above the nation

Chorus:
